To the Tenants of 650 Parliament Street

Dear Tenant,

Re: Contents remaining in Apartments at 650 Parliament Street

To facilitate the repairs to the building, the contractors require the contents of all apartments to be relocated to the basement parking garage for inspection by tenants pursuant to arrangements set out in the affidavits enclosed. The contents will be in a secure lit area in boxes and under surveillance of bonded security personnel.

The materials you are being provided are those which will be presented to Justice Belobaba, who is presiding in the proceedings on June 14th, 2019, at a time and in a Courtroom to be determined at either Osgoode Hall or at the 361 University Courthouse. The exact address will be provided when it has been determined by the Court.

Very truly yours,

Bruce A. Thomas
